Jesus healed people who were sick. He talked with them. He listened to them. He laid his hands on them.

Put your hand here. Then in the hand write the names or draw picture of people in your congregation who need healing. (Sometimes their names are in the bulletin or worship folder.)

- Today is the 5th Sunday in the season of Epiphany.
- During Epiphany we celebrate Jesus' ministry.
- Jesus came into the world to show people God's love.

Color in the star and the message about Jesus.

Jesus showed love by teaching and healing.

Jesus healed the sick when no one else could or would. He changed the pattern.

Fill in these patterns to make them complete.
