

## Confirmation Supplemental Activity

Not able to make it to class? Missed your turn to serve in worship? We've got you covered with some SOAP! This is an activity you can do (on occasion) to fulfill class requirements.

**Scripture** - We will provide you with a Bible text that is relevant to what we did in our absence. Read the text and move to the next step.

**Observation** - Think about what's going on in the reading. Write down your thoughts.

**Application** - How does this reading apply to your life? All of us? Write down your thoughts.

**Prayer** - Write a prayer that is related to the above steps.

Submit your SOAP response to Pastor Paul in the same week of the activity you missed. Feel free to write down some questions you'd like to discuss. You may also choose to discuss your SOAP response with your mentor.
