HYMN OF THE WEEK

Come, Ye Disconsolate

WEEKLY MILESTONES

Take a moment to tell or think about a recent mountain high and/or valley low in your life.

CARING CONVERSATIONS

Discuss in your home, small group, or use for personal reflections:

- When have you or someone you know had difficult times? Explain.
- Where do you find comfort when you are going through difficult times?
- Not all illnesses are cured and not all difficulties are resolved. How has faith in God eased your pain or that of a friend's pain during an illness?

DEVOTIONS

Read: Mark 5:21-43.

On the way to restore Jairus' daughter to life, Jesus realizes that healing power had gone from him to someone in the crowd. He inquires who touched him to receive the healing. A woman comes forward and explains that for 12 years she had suffered with hemorrhages (a flow of blood) that did not cease. Not only did it make her weak, it made her ritually unclean and unfit to be with others. In other words, not only did she experience physical suffering, she experienced isolation and social suffering. She was desperate and thought she might be healed through touching Jesus' garment. Jesus' first word of response was to call her "daughter," that is, someone who belongs to the community. He then adds, "your faith has made you well" (v. 34). The Greek text can equally be translated as "your faith has saved you." The same word for healing is the word for being saved. Salvation and healing begin for this woman because of her faith, a faith borne out of desperation. Her faith was not an expression of confidence and trust; it was simply an openness to hope against hope. With Jesus' response, she is brought into community and healed. When has faith felt more like taking a risk than a show of confidence and trust?

Pray: **Healing God, we thank you that you touch us with your saving grace now and always through Christ Jesus, our Savior and Lord. Amen.**

SERVICE

The woman who touched Jesus' clothes and was healed was an outcast among her own people. Her illness meant that others saw her as unclean and avoided her. Who are the people in your community that are often looked down upon or left out? What act of kindness can you do for someone who may be feeling left out in some way?

RITUALS AND TRADITIONS

Appropriate touch is a way of expressing love and care for others. Research has shown that as humans we need the touch of others to stay healthy in body, mind and spirit. Holding hands while praying and blessing someone with the sign of the cross on their hand or forehead are forms of a healthy touch. Hold hands while praying the Lord's Prayer. Then bless one another:

May God bless you to know that Jesus has touched you with peace today.
